Dear Mr. Baigelman,

In sharing your personal testimony as a survivor of the Holocaust, you have granted future generations the opportunity to experience a personal connection with history.

Your interview will be carefully preserved as an important part of the most comprehensive library of testimonies ever collected. Far into the future, people will be able to see a face, hear a voice, and observe a life, so that they may listen and learn, and always remember.

Thank you for your invaluable contribution, your strength, and your generosity of spirit.

All my best,

A handwritten signature in black ink, reading "Steven Spielberg". The signature is fluid and cursive, with the first name "Steven" and last name "Spielberg" clearly legible.
